

Summer and Winter Chamber Beautification

Every year the **Shelton-Mason County Chamber of Commerce** is the not-for-profit organization that is responsible for the beautiful flowers and Christmas decorations that hang proudly in our community. We are so proud of our community and this is our part to help improve how it looks to our citizens and visitors.

In the past, the business community has taken the responsibility for the majority of the costs associated with the installation and upkeep of **large Christmas decorations** and there is a tremendous cost associated with beautifying our community. So, because this is such a large and important community-wide project, the Chamber is asking for **everyone's** help.

The Chamber's Beautification Committee is asking everyone to contribute to this very visible source of **community pride**. We are grateful for any amount you are willing to contribute to this annual effort. We also offer a **Legacy sponsorship opportunity** for donations of \$1000 or more. Details and benefits associated with this level of donation are available through the Chamber.

We are thanking you in advance.
